### About this republication

#### The republished law

This is a republication of the *Workers Compensation Regulation 2002*, made under the *Workers Compensation Act 1951* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 5 June 2012. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 5 June 2012.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

#### Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

#### Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication.

Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117).

The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

#### Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register ([www.legislation.act.gov.au](http://www.legislation.act.gov.au)). For more information, see the home page for this law on the register.

#### Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

#### Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

*Note 1* The dictionary at the end of this regulation defines certain terms used in this regulation, and includes references (*signpost definitions*) to other terms defined elsewhere in this regulation.

For example, the signpost definition '*injury management*'—see the Act, section 86.' means that the term 'injury management' is defined in the Act, section 86.

*Note 2* A definition in the dictionary (including a signpost definition) applies to the entire regulation unless the definition, or another provision of the regulation, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

### 4 Notes

A note included in this regulation is explanatory and is not part of this regulation.

*Note* See the Legislation Act, section 127 (1), (4) and (5) for the legal status of notes.

### 5 Approval of medical guidelines

## **Part 3 Medical assessments**

### **Division 3.1 How medical assessments must be done**

#### **9 Using *evidence-based methodology***

(1) A doctor who does a medical assessment of an injured worker must do the assessment using *evidence-based methodology*.

*Note* The Act, s 118 (2) provides that a medical certificate required to accompany a claim for weekly compensation must comply with the requirements for medical assessments under the regulations.

If s 118 (2) is not complied with, for example, if a medical certificate about an injured worker is deficient because it does not refer to an approved medical guideline or clinically relevant research for that type of injury, under the Act, s 119 the insurer may tell the worker about the deficiency. The worker's claim is not considered to have been made until the deficiency is fixed.

If the insurer does not tell a worker about a deficiency, the claim is taken to comply with s 118 (2) (see the Act, s 119 (3)).

(2) The doctor must record the results of the assessment, including the following matters:

- (a) the aetiology of the worker's injury;
  - (b) the diagnosis of the injury;
  - (c) the prognosis for the injury;
  - (d) the recommended medical treatment for the injury.
- (3) However, for a later medical assessment of an injured worker, the doctor who does the assessment need record a matter mentioned in subsection (2) only if the doctor considers that there has been a change in the matter.

(4) In this section:

**initial medical assessment**, of an injured worker, means the first medical assessment by the worker's doctor for a medical certificate mentioned in the Act, section 116 (2) (Making claim for compensation).

**later medical assessment**, of an injured worker, means a medical assessment other than—

- (a) an initial or second medical assessment of the worker; or
- (b) if the worker's nominated treating doctor is replaced by another nominated treating doctor—the first medical assessment of the worker by the new nominated treating doctor.

**second medical assessment** means an assessment mentioned in the Act, section 72 (Second assessments).

### **Division 3.2 Medical specialists**

#### **10 Assessment by medical specialist—request by other than nominated treating doctor**

(1) This section does not apply to a request by an injured worker's nominated treating doctor for a medical assessment of the worker by a medical specialist.

(2) The following (the **requesting person**) may request a medical assessment of an injured worker by a medical specialist:

- (a) the worker;
- (b) the worker's lawyer;
- (c) the worker's employer;
- (d) the employer's insurer.

(3) At least 2 weeks before the day of the medical assessment, written notice of the request must be given—

- (a) if the request is made by the worker or the worker's lawyer—to the worker's employer and the employer's insurer; or
- (b) if the request is made by the worker's employer or the employer's insurer—to the worker and the worker's lawyer.

(4) Subsection (3) does not prevent a medical assessment of the worker happening with less than the 2 weeks notice if the parties agree to the shorter notice.

(5) The notice must state—

- (a) the reasons for the request (including a brief description of any particular thing that led to the request); and
- (b) why the medical specialist is the appropriate specialist to do the medical assessment; and

(c) which of the following matters are to be assessed in relation to the injury:

- (i) aetiology;
- (ii) diagnosis;
- (iii) prognosis;
- (iv) recommended medical treatment.

**Example for par (a)**

An insurer disagrees with an injured worker's nominated treating doctor's assessment that the worker has suffered a relapse, and needs more time off work. The insurer considers that the time off does not relate to the injury.

*Note* An example is part of the regulation, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

**11 Specialist's report about assessment**

(1) A medical specialist assessing an injured worker must, when asked by someone (the *requesting person*) under section 10 (2), prepare a report about the medical assessment.

(2) If the medical specialist's assessment differs from the medical evidence about the injured worker, the report must state—

(a) how the assessment differs and why; and

(b) why the medical specialist's assessment is preferable.

(3) If there is no difference between the medical specialist's assessment and the medical evidence, the report must say there is no difference.

(4) The requesting person must give a copy of the report to the people to whom the requesting person must give notice under section 10 (3) within 5 working days after the day the report is given to the requesting person.

*Note* An injured worker's nominated treating doctor may adopt (completely or partly) a medical specialist's assessment about treatment for the worker's treatment.

**12 Medical specialist as new nominated treating doctor**

(1) This section applies if the nominated treating doctor (the *treating doctor*) for an injured worker considers it appropriate that a medical specialist becomes the nominated treating doctor for the worker, and the worker agrees.

(2) The treating doctor may ask the medical specialist, in writing, to become the nominated treating doctor for the worker.

- (c) apply the referee's clinical expertise to the review under paragraphs (a) and (b); and
- (d) do a medical assessment of the worker, unless the referee considers it unnecessary.

### **15 Medical referee's report**
